Mark Lane on KGO, Ronn Owens show, 12/19/75

by phone
FOIA law passed in reaction to Watergate.

He (in sense of alone) has filed for what is still withheld. (To the best of my knowledge he files an incompetent request and then had to break it down into individual requests at least some of which are repetitious.
Says brain, etc. given to Archives.
Credits Rhoads, Belin with what is in C.A.2052-73 on no authority to classify. This, of course, was my preparation of the Ebzug committee
Claims just about all responsible critics have joined CCI. I don't know of one.
Inference those not in it not responsible.
In mention of 1/27 transcript he talks as though it has no history, was never suppressed, was not published or that there is a book on it.

This is second side ot tape filed under Anson
